

IT Support Technician I

The Monarch Cement Company in Humboldt, Ks has an opening for an IT Support Technician I in the IT Department. The IT Support Technician I position requires applicants to be able to set-up equipment for users including performing and ensuring proper installation of all components; ability to troubleshoot; diagnose and resolve technical issues; and perform minor repairs to hardware, software and peripheral equipment. Attention to detail and willingness to learn is a must. Some travel may be required. The position requires candidates to have education or experience in an IT support role that will allow successful performance and completion of the duties required for the position along with a valid driver's license. This position is open until filled. First round of review is set for 9/14/2018. Salary will be DOQ. The Monarch Cement Company is an EOE. We encourage qualified minority, female, veteran and disabled candidates to apply and be considered for open positions.

A Workready Certificate is preferred.
