A Message From The Company

We recognize our ultimate success depends on our talented and dedicated employees. The Company's goal is to provide a comprehensive program of competitive benefits to attract and retain the best employees available. Through our benefits programs we strive to support the needs of our employees and their dependents by providing a benefit package that is easy to understand, easy to access and affordable for all our employees. This guide will help you choose the type of plan and level of coverage that is right for you.

Benefit Basics

Your benefits are a partnership between you and The Company. The table below outlines how you and the Company share costs for benefits. The tax treatment shows whether your contribution is taken from your paycheck before or after taxes.

Benefit	Tax Treatment	Who Pays
Medical and Pharmacy	Pre-Tax or After-Tax	Company & You
Dental	Pre-Tax or After-Tax	Company & You
Vision	Pre-Tax or After-Tax	Company & You
Health Savings Account	Pre-Tax	Company & You
Basic Life and Accidental Death & Dismemberment (AD&D)		Company
Voluntary Life and Accidental Death & Dismemberment (AD&D)	Post-Tax	You
401(k) Retirement Savings Plan	Pre-Tax or After-Tax	Company & You

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage.
Please see pages 27 – 28 for more details.

Eligibility

Eligible Employees:

Active full-time employees regularly scheduled to work 30 hours or more per week are eligible for the employee benefits discussed in this guide. New hires become eligible on the first of the month following sixty (60) days of continuous employment. Employees who meet the eligibility requirements and could be considered as a dependent on another employee's insurance, may choose to either enroll as a participant or be covered as a dependent, but not both.

Eligible Dependents:

- Your legal spouse
- The following dependent children are eligible for coverage until the end of the month of their 26th birthday regardless of student status:
    - Biological Children
    - Stepchildren
    - Adopted children or children placed with you for adoption (must provide documentation of adoption)
    - Children you support for whom you are the legal guardian (must provide copy of the court order)
    - Any other children you support as the result of a Qualified Medical Child Support Order or National Medical Support Notice (must provide required documentation)
    - Dependent children totally and permanently disabled before age 19 (subject to verification)

NOTE: Domestic partners and Common Law Marriage spouses are NOT eligible and are excluded under the plan unless legal documentation is provided showing that the partners are "married", and which would cause the partners to legally terminate the partnership.

Dependent Verification Process:

When you initially enroll in benefits as a new hire, or when you enroll a new dependent, including during Open Enrollment, you will be asked to provide the following documentation to verify your dependent's eligibility. It is important that you only enroll eligible dependents in the Company's healthcare plan. Failure to provide the appropriate documentation by the effective date of your coverage will result in your dependent not being covered under the Company's healthcare plan.

Spouse
• Photocopy of an official Marriage Certificate

Child
• Photocopy of birth certificate or hospital birth record (which shows your name and the name of your enrolled spouse as the parent of the child and signed by a hospital administrator or physician on staff).
• If your spouse is not enrolled in the health plan and his/her name is listed on the birth certificate or hospital birth record, but your name is not listed, you must also provide a copy of your marriage certificate to establish your relationship to the child.
• Adoption Certificate or Assignment of Guardianship that is signed and/or stamped by a member of the court.

When filling out the enrollment form it is VERY IMPORTANT that the names of all employees and listed dependents match the name that is printed on their Social Security Card for ACA (Affordable Care Act) reporting. Pursuant to Section 6055 of the Patient Protection and Affordable Care Act, the Company is required to file an informational return with the IRS, which in part identifies the individuals to whom the Company provided Minimum Essential Coverage (MEC). This information will assist you and the IRS in establishing that all identified individuals have satisfied their obligations under the Individual Mandate to maintain MEC and are therefore not subject to a penalty.

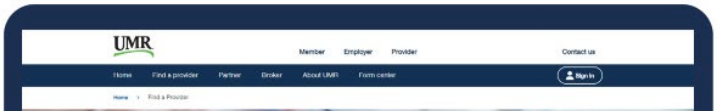

Medical Insurance Information

The Monarch Cement Company is partnering with UMR to administer our group health plan, while utilizing their UnitedHealthcare Choice Plus Network. Prescription drugs will be administered through Oread Rx.

Health Savings Account (HSA)

When you are enrolled in a Qualified High-Deductible Health Plan (QHDHP) and meet the eligibility requirements, the IRS allows you to open and contribute to an HSA Account.

What is a Health Savings Account (HSA)?

An HSA is a tax-advantaged bank account to pay for eligible health care expenses for you and/or your eligible dependents. The HSA is yours to keep, even if you change jobs or medical plans. There is no "use it or lose it" rule; your balance carries over year to year. You also get extra tax advantages with an HSA.

HSA Eligibility

To open and contribute to an HSA, you must meet these requirements:

- You must be enrolled in a Qualified High-Deductible Health Plan (QHDHP)
- You cannot be covered by other non-QHDHP health plan coverage, such as a spouse's PPO plan
- You and/or your spouse cannot be enrolled in a medical Flexible Spending Account (FSA). Enrollment in a Limited Purpose Healthcare FSA is allowed
- You cannot be enrolled in Medicare, Medicaid or TRICARE,
- You are not eligible to be claimed as a dependent on another person's tax return

Federal Tax Advantages

- Reduce income taxes with pre-tax contributions via payroll deductions
- Grow your account – long term savings: interest and investment earnings are tax-free
- Withdraw funds tax-free for qualified healthcare expenses

2027 HSA Contributions

You can contribute to your Health Savings Account on a pre-tax basis through payroll deductions up to the IRS statutory maximums listed below.

- **$4,500** Employee
- **$9,000** Family
- Age 55 and over may contribute an extra $1,000 catch-up contribution

The Monarch Cement Company will contribute the following amounts to your HSA on an ***annual*** basis:

- **$550 Employee**
- **$825 Employee + 1**
- **$1,100 Family**

Ready to enroll?

Enrolling in an HSA is quick and easy because it's built into your employer's benefit options. Review your materials today so you don't miss your chance to sign up.

Important Legal Notices Affecting Your Health Plan Coverage

THE WOMEN'S HEALTH CANCER RIGHTS ACT OF 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: $500/10%, $1,500/10%, & $3,500/0%.

NEWBORNS ACT DISCLOSURE – FEDERAL

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Further, if you decline enrollment for yourself or eligible dependents (including your spouse) while Medicaid coverage or coverage under a State CHIP program is in effect, you may be able to enroll yourself and your dependents in this plan if:

- coverage is lost under Medicaid or a State CHIP program; or
- you or your dependents become eligible for a premium assistance subsidy from the State.

In either case, you must request enrollment within 60 days from the loss of coverage or the date you become eligible for premium assistance.

To request special enrollment or obtain more information, contact the person listed at the end of this summary.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 ("ERISA"). ERISA provides that all participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the Plan Administrator's office and at other specified locations, the Plan and Plan documents, including the insurance contract and copies of all documents filed by the Plan with the U.S. Department of Labor, if any, such as annual reports and Plan descriptions.
- Obtain copies of the Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.

- Receive a summary of the Plan's annual financial report, if required to be furnished under ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report, if any.

Continue Group Health Plan Coverage

If applicable, you may continue health care coverage for yourself, spouse, or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the Plan for the rules on COBRA continuation of coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. These people, called "fiduciaries" of the Plan, have a duty to operate the Plan prudently and in the interest of you and other Plan participants.
No one, including the Company or any other person, may fire you or discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA.

Enforce your Rights

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have a right to have the Plan reviewed and reconsider your claim.

Under ERISA, there are steps you can take to enforce these rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 per day, until you receive the materials, unless the materials were not sent due to reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, and you have exhausted the available claims procedures under the Plan, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose (for example, if the court finds your claim is frivolous) the court may order you to pay these costs and fees.

Assistance with your Questions

If you have any questions about your Plan, this statement, or your rights under ERISA, you should contact the nearest office of the Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

MODEL INDIVIDUAL **CREDITABLE COVERAGE** DISCLOSURE NOTICE LANGUAGE FOR USE ON OR AFTER APRIL 1, 2011

Important Notice from The Monarch Cement Company About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The Monarch Cement Company and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Monarch Cement Company has determined that the prescription drug coverage offered by The Monarch Cement Company Medical Plan for the plan year January 01, 2027 – December 31, 2027, is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered **Creditable Coverage**. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, the following options may apply:

- You may stay in The Monarch Cement Company Medical Plan and not enroll in the Medicare prescription drug coverage at this time. You may be able to enroll in the Medicare prescription drug program at a later date without penalty either:
    - During the Medicare prescription drug annual enrollment period, or
    - If you lose The Monarch Cement Company Medical Plan creditable coverage.
- You may stay in The Monarch Cement Company Medical Plan and also enroll in a Medicare prescription drug plan. The Monarch Cement Company Medical Plan will be the primary payer for prescription drugs and Medicare Part D will become the secondary payer.
- You may decline coverage in The Monarch Cement Company Medical Plan and enroll in Medicare as your only payer for all medical and prescription drug expenses. If you do not enroll in The Monarch Cement Company Medical Plan, you are not able to receive coverage through the plan unless and until you are eligible to reenroll in the plan at the next open enrollment period or due to a status change under the cafeteria plan or special enrollment event.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with The Monarch Cement Company and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium

(a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage…

Contact the person listed below for further information.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through The Monarch Cement Company changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility –

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 10.22% of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 10.22% of the employee's household income.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution – as well as your employee contribution to employment-based coverage – is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all these factors in determining whether to purchase a health plan through the Marketplace.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special

Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

What about Alternatives to Marketplace Health Insurance Coverage?

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/ for more details.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
  - ☒ All employees. Eligible employees are:

    All full-time employees work 30 or more hours per week.

- With respect to dependents:
  - ☒ We do offer coverage. Eligible dependents are:

    Legally married spouse & dependent child(ren) to age 26

☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums.
