

2021 Commitment to Equal Employment Opportunity

Commitment to EEO. The Monarch Cement Company ("Monarch Cement") is committed to affirmative action and equal employment opportunity. It remains our policy to provide equal employment opportunity to all persons consistent with employment qualifications and applicable laws regarding discrimination because of race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, veteran or other protected status. Monarch Cement will recruit, hire, train, and promote persons in all job titles, and ensure that all other personnel actions are administered without regard to such protected categories.

Monarch Cement recognizes that the effective application of a policy of merit employment involves more than just a policy statement and will, therefore, implement its Affirmative Action Plan (AAP) in a positive and aggressive manner and will make known Monarch Cement's commitment to this effort and that equal opportunities are available within Monarch Cement on the basis of individual merit. Monarch Cement will solicit and encourage all persons to seek opportunities within Monarch Cement and to pursue advancement possibilities.

Audit and Reporting Systems. Monarch Cement has implemented an audit and reporting system to measure the effectiveness of Monarch Cement's AAP, to identify and address the need for remedial action if necessary, and to determine the degree to which Monarch Cement's overall objectives have been attained.

Support and Responsibility for Implementation. The AAP has full support of Walter H. Wulf, Jr., Chief Executive Officer of The Monarch Cement Company, as well as the entire Monarch Cement management team. Sam Budreau, Corporate Director of Human Resources, is responsible for administering all aspects of the company's EEO policy and the AAP.
